making the world a safer place

FIRECHIEF® FIRE SAFETY EQUIPMENT WHEELED CABINET

Firechief® Fire Safety Equipment Wheeled Cabinet, brings convenience and efficiency to emergency situations.

Engineered for seamless manoeuvrability and swift access, this front-loading cabinet ensures that essential safety equipment is readily available when every second counts.

With a spacious internal capacity of 915 x 360 x 195 mm, it offers ample storage for large fire extinguishers, fire blankets (including EV size), and other essential safety gear.

Constructed from fully recyclable PE, the Firechief® Fire Safety Equipment Wheeled Cabinet ensures exceptional durability, promising reliable performance even in demanding conditions. Its robust rubber wheels and convenient handle make transportation effortless, allowing you to move vital equipment from one location to another with ease.

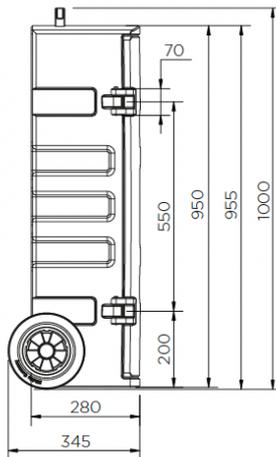

The toggle access feature ensures quick and hassle-free retrieval of equipment during critical moments, empowering responders to act swiftly and decisively.

Please note that assembly of the wheels and handle is required, ensuring straightforward setup and customisation according to your needs. Experience the next level of safety and efficiency with Firechief® Fire Safety Equipment Wheeled Cabinet designed to meet the demands of modern emergency response.
